Welcome Message

Dear Friends and Colleagues,

It is our privilege to welcome you to this conference on Fertility Preservation in Cancer Patients. This meeting brings together distinguished experts in oncology, reproductive medicine, embryology, ethics, and supportive care, with the shared objective of advancing knowledge and practice in this vital field.

The intersection of cancer treatment and reproductive health presents both significant challenges and remarkable opportunities. While improved cancer survival rates are among the greatest achievements of modern medicine, they have also highlighted the importance of safeguarding reproductive potential and quality of life in survivorship.

This conference provides a platform for evidence-based discussion, the exchange of clinical expertise, and the exploration of cutting-edge research. It is our hope that the deliberations over these two days will inform clinical protocols, inspire collaborative initiatives, and ultimately enhance patient-centered care.

We eagerly await your participation and contribution, and we look forward to the productive and insightful discussions ahead.

Dr. Padma Rekha Jirge
President

Dr. Devika Gunasheela
Hon. Secretary General

Dr. Lavanya Kiran
Hon. Joint Secretary

Dr. Puneet Rana Arora
Treasurer

Dr. Priya Selvaraj
Organizing Chairperson

Conference Highlights

Objective

The objective of this academic forum has been designed to address strategies that safeguard reproductive potential without compromising oncologic outcomes.

What you can expect?

Orations, keynote lectures, symposia, case-based deliberations, scientific advances, panel discussions, debates and two workshops that integrate clinical, oncological and lab practices.

Thus we aim to ensure that fertility preservation becomes an integral component of holistic cancer care, covering all aspects of CAYA, Gynec oncology, hematological and non-malignant conditions.

Workshops

9th Nov 2025 (Sunday)

(01:30 PM - 05:00 PM)

1

Onco Fertility Navigator

Lectures & Panel Discussion on

- Clinical Protocols,
- Consents,
- Legalities & Dilemmas

Limited Entry: Only 50 Seats

2

Lab Techniques in Fertility Preservation

- Ovarian Tissue Cryopreservation (OTC)
- Oocyte freezing
- Surgical Sperm retrieval & Post preparation
- OTC Hands-on for 1st 20 Registrants only

Limited Entry: Only 50 Seats

Day 1

8th Nov 2025 (Saturday)

1

Fundamentals In Oncofertility

Chairpersons : Dr.K.M.Kundavi, Dr.Monna Pandurangi & Dr. Nandita A Thakkar

Time	Topic	Faculty
09.00 - 09.30 AM	"Three Voices, One Goal" A Dialogue on Integrating Cancer Care and Fertility Preservation	Dr. Selvi Radhakrishna Dr. Rajapriya Ayyappan & Dr. Ramanan
09.30 - 09.45 AM	Oocyte Freezing - How Many Eggs do we Really Need?	Dr. Lavanya Kiran
09.45 - 10.00 AM	Stimulation Protocols for Fertility Preservation in Poor Responders	Dr. Papa Dasari
10.00 - 10.15 AM	Hurdles in Re-Utilisation of Gametes and Embryos In Cancer Survivors	Dr. Devika Gunasheela

2

"Balancing Cure & Future"- In Breast Cancer

Chairpersons : Dr. Selvi Radhakrishna, Dr. P.M.Gopinath & Dr. Ramanan

Time	Topic	Faculty
10.15 -10.30 AM	Heredity and Genetics of Breast and Ovarian Cancer in Indian Women	Dr. Sujay Susikar
10.30 - 10.45 AM	Gatekeepers - Role of GNRH during Chemotherapy	Dr. Sankar Srinivas
10.45 - 11.00 AM	Safety and Efficacy of COH in BRCA Positive Early Breast Cancer	Dr. Vyjayanthi.S
11.00 - 11.30 AM	From Diagnosis to Delivery - A Dialogue - Walking through Breast Cancer and Pregnancy	Dr. Kirti Kabeer Dr. J.C.Bose & Dr. Nirmala Jayasankar
11.30 - 11.45 AM	Discussion	

Oration

Chairpersons : Dr. Padma Rekha Jirge & Dr. Nalini Mahajan

Time	Topic	Faculty
11.45 - 12.15 PM	Ovarian Tissue Cryopreservation: Strategies to Ensure Follicle Survival and Optimize Transplantation Outcomes	Prof. Marie Madeleine Dolmans

Time	Topic	Faculty
12.15 - 01.15 PM	<p>Panel Discussion: Hope Beyond Survival - Fertility Choices & Motherhood for Young Breast Cancer Patients</p> <p>Moderators: Dr. Nandita Thakkar and Dr. G Buvaneswari</p> <p>Expert : Prof P.M Gopinath</p>	<p>Panelists: Dr. Kirti K Kabeer Dr. Patricia Dr. Zehran Dr. Vasundara Jagannathan Dr. Sindhuja NS Dr. Gayathri Devi</p>

01:15 - 02:00 PM

Lunch

3

Caya/Hematological

Chairpersons : Dr. Rashmi Dalvi, Dr. Sanjay Chandrasekar & Dr. Jayashree N

Time	Topic	Faculty
02.00 - 02.15 PM	13-Year-Old with Leukaemia - Planning Oncological Safety and Reproductive Goals	Dr. Revathy Raj
02.15 - 02.30 PM	Gonadal Toxicity with HSCT and Immunotherapy - An Overlooked Problem?	Dr. Rishab Bharadwaj
02.30 - 02.45 PM	Fertility Preservation in Young Rectal Cancer Patients	Dr. Prahlad Yathiraj
02.45 - 03.00 PM	Oncofertility Counselling & long time monitoring of Caya & their families	Dr. Rashmi Dalvi

4 Fertility Preservation in Cervical Cancer - An update

Chairpersons : Dr.Revathy Raj & Dr.Priya Selvaraj

Time	Topic	Faculty
03.00 - 03.15 PM	Impact of HPV Vaccination and Early Surgery on Future Fertility	Dr. Jayashree N
03.15 - 03.30 PM	Fertility Outcomes After Chemoradiation in Cervical Cancer - Is there a Window for Preservation?	Dr. Sanjay Chandrasekar

Time	Topic	Faculty
------	-------	---------

Chairpersons : Prof. Marie Madeleine Dolmans & Dr. Devika Gunasheela

03.30 - 03.45 PM	Setting up Oncofertility Programme	Dr. Puneet Rana Arora
03.45 - 04.00 PM	Fertility Preservation in Endometriosis - A Preventive Necessity or an Overused Option?	Dr. K M Kundavi
04.00 - 05.00 PM	<p>Panel Discussion : Preserving Fertility in Gynecological Malignancies - Challenges and Opportunities</p> <p>Moderator : Dr. Sridevi Expert: Dr. Ayyappan S</p>	<p>Panelists: Dr. Kavitha Sukumar Dr. Rhythm A Gupta Dr. Aruna Ashok Dr. Swati Verma Dr. Shreyas Padgaonkar Dr. Siddhartha Nagireddy</p>

General Body Meeting

Inauguration

Saturday, 8th November 2025

06.00 - 07.30 PM

Day 2

9th Nov 2025 (Sunday)

Hall A

08.00 - 09.00 AM

Poster & Paper Presentation

**THEME: INTERESTING CASE REPORTS & CLINICAL RESEARCH
IN FERTILITY PRESERVATION**

08.00 - 09.00 AM

Koffee & Spice - Meet with Experts

RTM 1: FP in Endometriosis, adenomyosis and fibroids in young reproductive age group women - When and How?

Dr. Nymphaea Walecha
Dr. Shradha Chaudhari
Dr. Ruchica Goel

RTM 2: How to practice FP in regular IVF practice? Guidelines, laws and multidisciplinary approach.

Dr. Gouri Devi
Dr. Swati Verma
Dr. Shreyas Padgaonkar

RTM 3: Borderline ovarian tumors in young reproductive age group women - An Approach to FP.

Dr. Puneet Rana Arora
Dr. Sadhana Patwardhan
Dr. Rhythm A Gupta

Hall B

Limited to 7 Registrants per Table

1

Endometrial Cancer - Shaping The Future Of Diagnosis & Therapy

Chairpersons : Dr. Sujata Kar, Dr. Priya Selvaraj, Dr. Geetha Haripriya, Dr. G.Buwaneswari

Time	Topic	Faculty
09.00 - 09.15 AM	Laparoscopic & Robotic Fertility Sparing Surgery- Indications & Outcomes	Dr. Kumar Gubbala
09.15 - 09.30 AM	Efficacy of Oral Progestogens Vs LNG - IUD in Conservative Treatment	Dr. Shobana Patted
09.30 - 09.45 AM	Endometrial Receptivity & Implantation Potential after Hormone Therapy	Dr. Madhuri Patil
09.45 - 10.00 AM	Safe and Effective Ovarian Tissue Transplantation in High Risk Patients	Prof. Dror Meirow

Presidential Oration

Chairpersons : Dr. Sabhayata Gupta & Prof. Marie Madeleine Dolmans

Time	Topic	Faculty
10.00 - 10.20 AM	Oration	Dr. Padmarekha Jirge

2

Frontiers In Ovarian Tumors - Bench To Bedside

Chairpersons : Dr. Gouri Devi, Dr. Ruchica Goel & Dr. Subbiah Shanmugam

Time	Topic	Faculty
10.30 - 10.45 AM	Surgical Approach in BOTS - Laparoscopy Vs Laparotomy : Implications For Fertility & Recurrence	Dr. Venkat
10.45 - 11.00 AM	Impact of Endometriosis and Surgery on Ovarian Reserve: When to Preserve Fertility ?	Dr. Sujata Kar
11.00 - 11.15 AM	Role of Myomectomy in Fertility Preservation: Timing, Technique and Outcomes	Dr. Nymphaea Walecha
11.15 - 11.30 AM	Malignant Ovarian Tumors in Young Women: Where Do we draw the Line Between Fertility and Survival?	Dr. Sabhyata Gupta

Oration

Chairpersons : Dr. Madhuri Patil & Dr. Nalini Mahajan

Time	Topic	Faculty
11.30 - 12.00 PM	The Ovary Post Chemotherapy: Efficacy and Outcomes of Controlled Ovarian Hyperstimulation	Prof. Dror Meirou

Keynote Lecture

Chairpersons : Dr. P M Gopinath, Dr. Dror Meirou & Dr. Sujata Kar

Time	Topic	Faculty
12.00- 12.20PM	IVM in Fertility Preservation with Case Scenarios	Dr. Ethiraj Balaji Prasath
12.20- 12.40PM	Expanding Horizons : Fertility Preservation in Non Malignant Conditions - Current Evidence & Future Directions	Dr. Nalini Mahajan
12.40 - 01.00 PM	Hormonal Replacement therapy in Survivors - Precaution & Dosage	Dr. Gouri Devi

01:00 - 02:00 PM

Lunch

Onco Fertility Navigator Workshop

Convenors : Dr. K M Kundavi & Dr. G. Buvaneswari

WORKSHOP 1

Time	Topic	Faculty
02.00 - 02.15 PM	Setting Up of Lab For Fertility Preservation - Nuts & Bolts	Dr. Ethiraj Balaji Prasath
02.15 - 02.30 PM	Assessing Ovarian Reserve in Cancer Patients - Timing & Interpretation of Results	Dr. Jasneet Kaur
02.30 - 02.45 PM	Precautions during OPU in Fertility Preservation	Dr. Krithika Devi
02.45 - 03.00 PM	Selecting Candidates for Fertility Sparing Management: The Gynec Oncologist's perspective	Dr. Shradha Chaudhari
03.00 - 03.15 PM	How to prepare Endometrium in FET Cycles?	Dr. Priya Selvaraj
03.15 - 03.30 PM	Ethical and Legal Issues in Fertility Preservation	Dr. Hitesh Bhatt
03.30 - 04.30 PM	Panel Discussion - Dilemmas and Decisions - Case Based Approach Moderators: Dr. Monna Pandurangi & Dr. Madhupriya Expert: Dr. Padmarekha Jirge	<u>Panelists:</u> Dr. Hitesh Bhatt Dr. Devika Gunasheela Dr. Lavanya Kiran Dr. Ramya Ananthakrishnan Dr. Surya Ramesh Dr. Kanimozhi K

Lab Techniques in Fertility Preservation

Convenors : Dr. Priya Selvaraj & Dr. Surya Ramesh

WORKSHOP 2

Time	Topic	Faculty
01:30 - 02:30 PM	Ovarian Tissue Cryopreservation (OTC) - Step By Step (Lecture + Demo)	Prof. Marie Madeleine Dolmans
02.30 - 02.40 PM	Discussion	
02.40 - 03.10 PM	Optimizing Oocyte Cryopreservation: Tips & Tricks to Improve Outcome - A Dialogue	Dr. Priya Kannan & Dr. Sujatha Ramakrishnan
03:10 - 03:25 PM	Sperm Retrieval Procedures in FP	Dr. Sanjay Prakash
03:25 - 03:40 PM	How to Prepare Surgically Retrieved Sperms?	Dr. Ramesh Raja
03:40 - 04:30 PM	Hands on OTC - Station A (10) & B (10)	Dr. Priya Selvaraj Dr. G. Buvaneswari Dr. Ethiraj Balaji Prasath

04:30 onwards

High Tea

Chennai, once a small fishing village called **Madraspatnam**, came into the limelight when the British built **Fort St. George in 1644**. What began as a trading hub soon grew into a vibrant city, blending the traditions of ancient towns like **Mylapore and Triplicane** with modern growth. After independence, it flourished as a center of **education, arts, and industries**, and in 1996, the city was officially renamed Chennai. Today, it is known as the “**Gateway to South India**,” where tradition meets modern life, and is also hailed as the “**Health Capital of India**” for its world-class hospitals and advanced medical care.

Places to Visit

Marina Beach

One of the longest urban beaches in the world (13 km), Marina Beach is the pride of Chennai. It was developed during the British era by Governor Mountstuart Elphinstone Grant Duff. The beach is famous for its sunrise views, memorials of Tamil leaders like Anna and MGR, and bustling evening food stalls. It’s a favorite spot for locals & tourists alike.

Valluvar Kottam

A monument dedicated to the revered Tamil poet-saint Thiruvalluvar, who authored the Thirukkural. The structure, completed in 1976, is shaped like a temple chariot and houses a **39-meter-high stone statue** of Thiruvalluvar. The hall inside can accommodate 4000 people, and the 133 chapters of Thirukkural are inscribed on granite panels.

Theosophical Society

Founded in 1875, the Theosophical Society in Adyar is a global spiritual movement promoting universal brotherhood and comparative study of religion, philosophy, and science. The lush 260-acre campus has a serene atmosphere, with attractions like the famous 450-year-old Banyan tree, serene gardens, and the Adyar river flowing beside it.

Mahabalipuram

Though slightly outside Chennai, this UNESCO World Heritage site is a must-visit. Built by the Pallava kings in the 7th–8th centuries, Mahabalipuram is famous for its rock-cut temples, shore temple, cave sanctuaries, and the iconic “Descent of the Ganges” bas-relief. The site beautifully blends art, mythology, and seafront views.

Fort St. George

Established in 1644 by the British East India Company, Fort St. George marks the beginning of modern Chennai (then Madras). It was the first English fortress in India and served as a trading post as well as a military stronghold. Today, it houses the Tamil Nadu Legislative Assembly and a museum showcasing colonial history.

Government Museum, Egmore

Founded in 1851, it is the second oldest museum in India. The museum has one of the world’s finest collections of Bronze artifacts, especially Chola bronzes like the iconic Nataraja. It also features galleries on archaeology, anthropology, numismatics, and zoology, making it a hub of knowledge and culture.

Chennai – Where Heritage Meets Modernity and the World Comes for Healing
